

NorthCoast Rehab are a VOSS provider based on the Sunshine Coast. VOSS provides financial support to eligible people with a disability for:

- a detailed assessment of vehicle modification requirements with a recommendation (prescription) for the best solution
- vehicle modifications, purchase of an already modified vehicle, or a vehicle to be modified to match identified needs lessons to learn to drive the modified car
- Successful applicants still need to pay the gap between the subsidy and the full cost of the modifications or purchase price of the vehicle.

You must meet specific eligibility criteria to access the scheme. Check the [VOSS](#) website to see if you meet the eligibility.
